Description

This chair is one of the lightest wooden chairs in our range. It combines great **comfort** with **stackability**, **durability**, **style,** together with many options. These chairs will stack 6 high, with or without arms. The hardwood laminate frame is very strong, yet light. The **waterfall** front and generous width make it a hit with various shapes and sizes of user. It is **EU made**, comes with our 6 year **guarantee**, and features the unique feature of being no heavier with arms, than without. Armchairs will also stack happily with each other.

Options include arms**,** frame staining, **book storage** (that leaves stacking unaffected), PVC feet and linking. Many frame stains are available. If you are looking for a wooden chair but don't wish to acquire something heavy and cumbersome then this could be just the right product.

Few chairs offer such a combination of **quality**, options, **comfort** and **versatility**. Our universal chair removal trolley will quickly help move a stack of up to 6 chairs for fast, efficient stowage. The trolley can then be slipped easily into a cupboard. These chairs come with our 6 year **guarantee**, and stack 6 high. Lead-time is 6 weeks from the date of your order.
