5 - 9	£296
10 - 19	£288
20 -	£280

Description

This chair is among our most popular reception/designer range tub chairs. The excellent build quality of the product reflects the many years of experience behind the manufacturer. The frame is in solid beech (from renewable sources of course), finished in faux leather, but other fabrics can be chosen from almost unlimited ranges, levels of quality and colours. These chairs are designed with style and the best first impression in mind, as well as great comfort and tough, durable materials and construction. Choose from the standard chair (DR J) or the 2 seater sofa (DR JS). A 3 seater is also available – simply contact us for a price. We understand that customers require a long life from these tub chairs, so at Alpha we have applied our typically high standards when selecting which products to offer in our range. If quality with style and comfort are your priorities for a coffee, lounge, meeting or reception area, than look no further. The chairs come with our 6 year guarantee and lead-time is typically 5 weeks from the date of any order.
