Description

The Speedy Folding Tool The FastFold is a time saving device, to assist with the folding down of Premier, Contour, Contour Plus and Economy folding tables. This tool is particularly useful in premises where a large number of tables are in use on a regular basis.

All Gopak folding tables and stacking benches are manufactured to BS EN 9001:2000 for Quality Assurance. In the unlikely event of a defective product being received, and if the problem is specifically related to faulty materials or workmanship, it will either be repaired or replaced, depending on the nature of the defect found. This five-year guarantee, assumes that the product has only been subjected to normal use. Our commitment to quality is taken into account when choosing products to complement our own range of furniture. All chairs, stacking tables and desks are supplied by reputable manufacturers and have been carefully selected, to provide items that offer our customers value for money.
