### Description

This chair represents one of our very best **lightweight stacking chairs**. It combines **comfort** with stackability, durability, **value** and **style**. The dished seat and back make it a hit with various shapes and sizes of user. The option of a **matt grey** or **chrome** frame at no extra cost, gives the chair a classical look, whilst also providing excellent scratch resistance. Options include black, matt grey or chrome frame, clip-on link, stacking chrome arms or PU arms. A chair globally popular because of its low price, low weight and high comfort levels, the L6 is among our best sellers, and can look superb in various different environments. The **low weight** of 5.6kg makes this chair popular for those for whom weight sits high in their priorities. Few chairs offer such a combination of **value**, **quality**, **comfort** and **versatility**. Our universal chair removal trolley will quickly help move a stack of up to 8 chairs for fast, efficient stowage. The trolley can then be slipped easily into a cupboard. This tried and tested design will stack 10 high. Lead-time is normally 6 weeks from the date of your order. **Please note that when ordering the armchair version that links are not available and should not be selected.**
