201 - 392	£20
400 -	£19.35

Description

Please order these chairs in multiples of 8.

The LF1 is among our best value **folding chairs**. Its great shape offers comfort, whilst the absent padding offers great storage efficiency, low cost and a wipe-clean finish. The design incorporates a strong grey frame and tough, **polypropylene** seat and back. Choose from dark grey, burgundy or blue shell colours.

There is a choice of two **hanging trolleys**. Up to 204 chairs can be hung on the largest trolley. The popular **flat trolley** will take 40 chairs lying flat.

Folding chairs are great for the situations where **storage space** is critical, and where the chairs spend much of their life stowed out of use. The LF1 will store efficiently, and will stand up to the rigors of a multi-use environment. Samples are available for free trial. Lead-time is typically within one week, depending on stock.
