Description

This chair ticks so many boxes for people. It combines a **show-wood finish** with **stackability**, value, style and an incredibly **light weight** of 5.6kg. It will stack 10 high, although we can provide you with a dolley designed and made just for this chair, allowing you to stack 25 high. It can be lifted by many with one finger, and is available in several **wood stains** to compliment your interior.

Floor glides comes as standard to protect your floor and the front stacking nature of the frame means they are difficult to stack wrongly. These features all combine to make it one of our best multi-use space chairs. Options include two types of **links**, **book storage** and **arms**. We can even quote for hassock mounting. The chair is tested in Europe to very high standards. If you are looking for a contemporary chair which is both light on weight and on the pocket look no further. Few chairs offer such a combination of value, quality, low weight, comfort and versatility. Our universal chair removal trolley will quickly help move a stack of up to 10 chairs. Alpha's unique dolley will take 25 chairs on approximately 1/2 a square metre and the empty dollies will then stack with each other. A full dolley will still go under a standard doorway. Lead-time is 6 weeks from the date of your order. **5 Year Guarantee** NB: The minimum online order quantity for this product is 10. For smaller quantities please call the office to discuss delivery costs.
