Description

For the chrome option please look at product C2 B

This chair represents one of our very best **budget lightweight stacking chairs**. It combines **comfort** with stackability, durability, **value** and **style**. The dished seat and back make it a hit with various shapes and sizes of user.

Options include clip-on link and PU arms. We can even quote for book storage.

A chair globally popular because of its low price, low weight and high comfort levels, the C2 BB is among our best sellers, and can look superb in various different environments. The **low weight** of 5.6kg makes this chair popular for those for whom weight sits high in their priorities.

Few chairs offer such a combination of **value, quality, comfort** and **versatility**. Our universal chair removal trolley will quickly help move a stack of up to 10 chairs for fast, efficient stowage. The trolley can then be slipped easily into a cupboard. This tried and tested design will stack 10 high. These chairs are normally available from stock.

3 year guarantee.

Please note that when ordering the armchair version that links are not available and should not be selected.
