Description

SOME ASSEMBLY REQUIRED - This table is now supplied with nuts in the underside of the table top to make assembly even easier, simply line up the holes in the base and top and screw in.

This stylish square base cafe table features an attractive chrome plated finish, topped with a 25mm thick MFC table top in a variety of shapes, sizes and colours. The adjustable feet allow you to level the tops on slightly uneven floors, with a sturdy construction.

The table is ideal for cafe areas but can also be used as a small meeting table. Please note this cafe table is suitable for indoor use only. Coffee table and poseur heights are also available on request, please contact the office for more details.

Other table tops are available on demand, including high quality laminate and ultra lightweight 46mm thick tops

with heat resistance up to 180 degrees, and the full Werzalit range with a possibility of a personalised table top featuring your logo and branding (no minimum order). Prices for personalised tops start at £107+VAT (top only) depending on size, shape and quantity.
