

Product ref: CT4

GIZA Pyramid Base Cafe Table with Square or Round MFC Top

From: £73

Quantity	Price
-	£0

Description

SOME ASSEMBLY REQUIRED - This table is now supplied with nuts in the underside of the table top to make assembly even easier, simply line up the holes in the base and top and screw in.

This pyramid-base cafe table features a cast iron base with black finish, topped with a 25mm thick MFC table top in a variety of shapes, sizes and colours. The black finish is powder coated and designed to be easily cleaned. The adjustable feet allow you to level the tops on slightly uneven floors, and the heavy duty construction makes for a sturdy and durable construction.

The table is ideal for cafe areas but can also be used as a small meeting table. Please note this cafe table is suitable for indoor use only. Coffee table and poseur heights are also available on request, please contact the office for more details.
