

Product ref: CTFT

LEXi Flip-Top Cafe Table - Square or Round MFC Top

From: £103

Quantity	Price
-	£0

Description

The LEXi flip-top cafe table is one of our most popular pedestal tables, with its ability to flip 90 degrees vastly improving the efficiency of storage for a flexible or temporary cafe environment. The 4-star base is higher on one side, allowing the tables to nest when the table tops are flipped. The aluminium base makes for a lightweight cafe table, while adjustable feet provide stability. The table tops are 25mm MFC, available in Beech or White as standard, with Walnut, Grey or Wenge available at slight extra cost. They are supplied with metal fixings pre-inserted, making for smooth assembly without any pre-drilling required. The table base can also be powder coated in any RAL colour for an additional £18.50+VAT per table. For details, please enquire. NB: This will add 3-4 weeks to the lead time. For a poseur height table, or alternative table top colours/designs, please [contact the office](#). Lead time: 10 working days (pending stock).
