Description

Gopak Economy folding tables are among our most popular products, and for good reason:

- Light to handle & easy to store
- The low cost choice
- Exceptionally strong with a 500kg load bearing

This low cost range of tables and benches is available in a limited choice of four laminates, six sizes and one height (698mm). The Economy range is manufactured to Gopak's stringent quality procedures and gives you the opportunity to furnish your premises inexpensively. Click [here](#) to see a demonstrative video on how best to fold your Gopak tables. All Gopak folding tables and stacking benches are manufactured to BS EN 9001:2000 for Quality Assurance. Our commitment to quality is taken into account when choosing products to complement our own range of furniture. All chairs, stacking tables and desks are supplied by reputable manufacturers and have been carefully selected, to provide items that offer our customers value for money.
