### Description

Options include arms, hammer paint, wider frame, handhold or not, **book storage**, **stain protection** and linking. Many frame colours are available, as are various fabrics and colours. Stacking buffers on the frame help protect against scratching. The standard handhold makes it an easy one arm lift without bending ones back.

An **aluminium** version is available for those requiring a lighter chair.

Few chairs offer such a combination of value, **quality**, options, comfort and versatility. Armchairs also stack, as long as they are the top chair in a stack. Our **universal chair removal trolley** will quickly help move a stack of up to 8 chairs for fast, efficient stowage. The trolley can then be slipped easily into a cupboard. These chairs come with our 6 year guarantee, and stack vertically, 8 high. Lead-time is 5 weeks from the date of your order.

This chair represents one of our very best all-rounders. It combines comfort with **stackability**, durability, style and a multitude of options. The waterfall front and deep, generous, high back make it a hit with various shapes and sizes of user. It is entirely **UK made**, comes with our **6 year guarantee**, and features several clever touches.

Please note that when ordering the armchair version that links are not available and should not be selected.

Please note that the minimum online order quantity for this product is 10. For smaller quantities please call the office to discuss delivery costs.
