Budget Steel Mitre Stacking Conference Chair

From: £25.50

Quantity	Price
-	£0

Description

***NB: These chairs are delivered on pallets and must be ordered in multiples of 40. For alternative quantities, please contact the office for details.**

This chair represents one of our very best **budget stacking chairs**. It combines **comfort** with stackability, durability, and style. The deep, generous, **high back** make it a hit with various shapes and sizes of user. The high class **gold frame** finish and **mitre back** combine with the gold motif fabric to help give any venue a striking look. There are six colour combinations to choose from to suit your building's interior.

Stacking buffers on the frame help protect against scratching. The standard **handhold** makes it an easy one arm lift without bending one's back. A **lightweight** dolly is also available to help transport stacks of up to 10 chairs effortlessly.

Few chairs offer such a combination of **value, quality, comfort** and **versatility**. The chair removal trolley will quickly help move a stack of up to 10 chairs for fast, efficient stowage. The trolley can then be slipped easily into a cupboard. This tried and tested design will stack vertically, 10 high. This chair is a stock item and is usually available on quick delivery.
