

Product ref: LA3

Acrylic Perspex Lectern

From: £527.00

Quantity	Price
-	£0

Description

The LA3 acrylic perspex lectern provides a sleek look with clean lines for modern spaces. At only 12.5kg, it is much lighter than many traditional lecterns too and so ideal for situations where the lectern needs to be moved and stored on a regular basis. Constructed using 12mm thick acrylic, every part is diamond cut for a top quality, glass effect finish. Options include a frosted front panel, vinyl logo, matching side table, microphone shock mount and cable management, and a dust sheet for storage. Dimensions: Width: 600mm Depth: 300mm Height: 1220mm Desktop: 600mm wide x 355mm deep Weight: 12.5kg
