Description

This **adjustable reading lectern** is among our most popular **lightweight lecterns**. We have had very positive feedback from customers who are delighted with the quality and look once delivered. Finished in **beech** veneer and solid beech, the **lectern** is hand made in England by a specialist. As they are made to order, one can specify no end of extras, modifications and changes to the standard design.

Choose from several different stains, **oak** veneer, **ash** veneer, solid **wood**, In the past, customers have ordered this model wider, narrower, wider top, stained to match other stage furnishings or as part of a matching set with table and flower stand etc.

Whatever your requirements from a **lectern**, one of our **acrylic**, **wooden** or hybrid lecterns has every chance of providing the practical but stylish centre piece that you are looking for. Samples are not usually available, but library photos and wood stain samples can always be sent if required. It is just a matter of contacting the office with your requirements, and we can send a quotation for a **bespoke** lectern of the highest quality. Lead-time is dependent upon demand at any time.
