Description

This modern style armchair is ideal for care homes looking to move away from the more traditional high backed chair designs. With padding all over, this is among the most comfortable chairs in the range. The interior frame is constructed from solid beech with glued, screwed and doweled joints for superior durability and strength. There are a wide range of faux leathers and fabrics available that meet the crib 5 standards. The legs are also available in a variety of wood stain colours. 5 year guarantee on frame and springs! Upholstery Details: AGUA Lunar is a crib 5 vinyl with choice of plain or patterned finish. It is also:

- Waterproof
- Hard wearing (>100,000 rub test)
- Anti-fungal
- Anti-bacterial
- Phthalate free
- REACH compliant

AGUA Libra is a crib 5 soft fabric and is:

- Waterproof
- Anti-microbial
- Hard wearing (>100,000 rub test)
- Stain resistant
- Phthalate free
- REACH compliant

Please note: While the AGUA Libra fabric is stain resistant, there is no such fabric that is "stain proof". Most stains can be removed using cold/warm water and a clean microfibre cloth, however poorly fixed clothing dyes may cause permanent staining. All spillages should be removed immediately with a clean absorbent cloth. Always try cleaning products on a hidden piece of fabric to test suitability.
