Quantity	Price
1 - 4	£187
5 - 9	£182
10 - 19	£177
20 -	£172

## Description

This tub chair is one of our most popular options for cafes, atriums, foyers and reception seating. Well-made with a range of attractive faux-leather finishes, the DRJ tub chair also provides great comfort and brings with it a smart look. It can also be a suitable visitor option at a desk. Despite its look, it is still relatively easy to move compared to some tub chairs on the market, allowing you to remain flexible.
