Description

Auditorium Seating

Our **auditorium/balcony tip-up seating** is made in Northern England by an experienced factory. We feel it offers some of the best **value for money** available in **cinema-style seating** today. At the same time it holds to the core Alpha values of **quality**, choice with excellent service. Choose from three different models, depending on your requirements.

All versions feature a waterfall seat as standard. Options include one or two upholstered arms, wooden arms, multiple fabric type and colour choice, stain protected fabric, hammer frame paint in several colours, one, two or three unit combinations and the option of a rounded or square top. If there are features or specification requirements beyond the standard, our bespoke service can be called upon to offer the answer.

We are able to quote for installation of the seating, as well as delivering it for contractors to fit. Throughout the process from enquiry to finish, as ever, Alpha's high levels of service and care will ensure peace of mind and efficiency. Lead-times and prices are on application.

We believe we have created some of the best value **auditorium/balcony tip-up seating** available today.

Due to the very bespoke nature of this product please contact our sales office to discuss your specific requirements on **01494 670 600**.
