Description

This bedside table is designed and manufactured to order in the UK specifically for care home and contract use. The bedside table is constructed from 15mm melamine faced particle board, with 2mm PVC lipped edges and soft rounded corners. Joints are glued, dowelled and screwed while metal KD fixings provide further stability. The drawers are metal sided with easy glide roller runners, while 15mm solid drawer bases and back rails prevent bowing under the weight of its contents, with solid metal handles. The hinges on the cupboards are 170° metal hinges. **5 Year Guarantee.**
