Description

This UK Made low back lounge chair provides comfort with a clean, modern design. The tapered wooden legs can be stained in any of 10 standard wood finishes, with many colours to choose from from the popular Libra (fabric) and Lunar (vinyl) ranges from Agua, depending on the environment and customer's requirements. The Lunar vinyl also includes some patterned designs to add depth to the finish. A removable seat cushion also aids the cleaning of the chair in the event of spills. Please contact the office to discuss any other design options, such as contrasting piping.
