Description

The SUNNY flip-top cafe table is one of our most popular pedestal tables, with its ability to flip 90 degrees vastly improving the efficiency of storage. This is ideal for a flexible or temporary cafe environment. The 4-star base is higher on one side, allowing the tables to nest when the table tops are flipped. The aluminium base makes for a lightweight cafe table, while adjustable feet provide stability. These tables are also well suited for use outdoors when selecting the Extrema tops. The indoor-only table tops are 25mm laminate, available in Light Oak or Wenge, and in a choice of round or square (70cm x 70cm square, or 70cm diameter). The Extrema tops are available in round (69cm diameter), or square (69cm x 69cm). Lead time: 10 working days (pending stock). Please note some assembly is required. Height: 74cm
