Description

This Titan chair is moulded from one piece of high impact polypropylene, and stacks up to 12 high. The design of the frame means that it is inherently anti-tilt, helping safeguard your pupils from accidental falls.

This chair is available in a wide array of bright and interesting colours. However, please note that Burgundy and Black are only available as colours for sizes 9-13 years and 13+ years.

Conforms to EN1729 parts 1&2.
