From: £292

Quantity	Price
2 - 4	£332
5 - 9	£312
10 -	£292

Description

This modular folding top meeting table is an ideal choice for constantly changing criteria - whether you require a meeting space for committee meetings, interviews, training sessions or for a project team to meet and share ideas. It is compact, light and very quick to assemble, aided by the lockable castors for greater ease of manoeuvrability. The flip mechanism itself is also incredibly easy to use. With a chrome frame as standard, this table features a 1600mm x 800mm melamine top, with other shapes also available in complimentary sizes. Customers can also select from grey and black frames, depending on the desired aesthetic. Additional top shapes, as well as a quarter-circle connecting top, allow you to tailor space for your current needs. A wide array of melamine finishes also allows for a high level of customisation to suit your decor. For advice on suitable chairs to use alongside these tables, please get in touch with our experienced sales team. These tables are usually available in stock with chrome frames, and tops in NB Beech Bright and BI White. Please contact the office for up-to-date stock levels.
