Description

Choice of heights 6 table top designs Pre-school play The three colourful and attractive designs of the NEW Gopak Play time table 1220mm L x 685mm W will give fun and stimulation to pre-school and primary school children. The table top is made of of high pressure wipe-clean laminate, digitally printed to produce these colourful images. When not being used for play, the Play Time Table can be used for many other activities such as painting, writing and even a fun filled lunch! Click [here](#) to see a demonstrative video on how best to fold your Gopak tables. **All Gopak folding tables and stacking benches are manufactured to BS EN 9001:2000 for Quality Assurance.** In the unlikely event of a defective product being received, and if the problem is specifically related to faulty materials or workmanship, it will either be repaired or replaced, depending on the nature of the defect found. This five-year guarantee, assumes that the product has only been subjected to normal use. Our commitment to quality is taken into account when choosing products to complement our own range of furniture. All chairs, stacking tables and desks are supplied by reputable manufacturers and have been carefully selected, to provide items that offer our customers value for money.  The table folds flat for storage and is extremely lightweight and portable.
