Description

- Folds flat for storage
- Strong and robust
- Ideal for banqueting and meetings

Featuring the simple and effective Posi-Lock folding mechanism, these robust Round tables can be folded down with ease, enabling your space to be cleared with the minimum of effort. Once folded, they are easy to manoeuvre by either rolling on the sturdy aluminium edge or by carrying, using the leg stay as a convenient hand hold. Supplied in a wide choice of wipe-clean laminates the table can therefore be used with or without a table covering. Click [here](#) to view a demonstrative video on how best to fold your Gopak folding table.

All Gopak folding tables and stacking benches are manufactured to BS EN 9001:2000 for Quality Assurance. In the unlikely event of a defective product being received, and if the problem is specifically related to faulty materials or workmanship, it will either be repaired or replaced, depending on the nature of the defect found. This five-year guarantee, assumes that the product has only been subjected to normal use. Our commitment to quality is taken into account when choosing products to complement our own range of furniture. All chairs, stacking tables and desks are supplied by reputable manufacturers and have been carefully selected, to provide items that offer our customers value for money.
