Description

Gopak Economy Stacking Benches are:

- Economical
- Strong (500kg load bearing)
- Stackable to 10 high, or 8 on the optional skates
- Ideal for canteens and halls

The Economy range is manufactured to Gopak's stringent quality procedures and gives you the opportunity to furnish your premises inexpensively. Complementing the Economy range of tables, this range of stacking benches is ideal for youth groups and various outdoor activities. Safely stacks ten high on the floor, or 8 high on the optional skates, available separately [here](#). For use outdoors, we recommend adding the big foot set from the optional extras. All Gopak folding tables and stacking benches are manufactured to BS EN 9001:2000 for Quality Assurance. Our commitment to quality is taken into account when choosing products to complement our own range of furniture. All chairs, stacking tables and desks are supplied by reputable manufacturers and have been carefully selected, to provide items that offer our customers value for money.
