Description

Holds up to 7 Gopak folding tables Trolley Dimensions: 875mm long x 745mm wide x 1127mm high (empty) Maximum height required when loaded = 1950mm. With space and safety a priority, Gopak Transportation Trolleys have been designed to safely store and move tables to where they are required, saving time and effort. Recent modifications have been made with the operator in mind, enabling safe and efficient loading. Manufactured from strong zinc-plated steel, these trolleys will prove to be a sound investment for your premises. Supplied flat-pack for self-assembly. Step by step instructions are provided. Complete with safety straps and brake castors for safe loading and unloading. Please note this trolley will pass through a single doorway.

All Gopak folding tables and stacking benches are manufactured to BS EN 9001:2000 for Quality Assurance. In the unlikely event of a defective product being received, and if the problem is specifically related to faulty materials or workmanship, it will either be repaired or replaced, depending on the nature of the defect found. This five-year guarantee, assumes that the product has only been subjected to normal use. Our commitment to quality is taken into account when choosing products to complement our own range of furniture. All chairs, stacking tables and desks are supplied by reputable manufacturers and have been carefully selected, to provide items that offer our customers value for money.
