200 - 399	£61.95
400 -	£58.95

Description

Vinyl upholstery available - please enquire. This chair represents one of our very best all-rounders. It combines comfort with stackability, durability, style and a multitude of options. The waterfall front and deep, generous, high back make it a hit with various shapes and sizes of user. It is entirely UK made, comes with our 6 year guarantee, and features several clever touches. Options include arms, hammer paint, wider frame, handhold or not, book storage, stain protection (minimum quantity applies) and linking. Many frame colours are available, as are various fabrics and colours. Stacking buffers on the frame help to protect against scratching. The standard handhold makes it an easy one arm lift without bending one's back. An aluminium version is available for those requiring a lighter chair, [please see the AR2BW](#). Few chairs offer such a combination of value, quality, options, comfort and versatility. Armchairs also stack, as long as they are the top chair in a stack. Our universal chair removal trolley will quickly help move a stack of up to 8 chairs for fast, efficient stowage. The trolley can then be easily slipped into a cupboard. These chairs come with our 6 year guarantee, and stack vertically, 8 high. Lead time is 5 weeks from the date of order. Please note that when ordering the armchair version that links are not available and should not be selected.
