From: £159

Quantity	Price
1 - 4	£165
5 - 9	£163
10 - 19	£161
20 -	£159

Description

The JUNA cafe chair comprises an attractive Oak veneer seat and backrest, on a durable steel frame. The chair is highly durable, and performs well in well used, high traffic areas such as cafes, refectories and restaurants. The dark steel legs provide a contrast in line with modern trends. The inability to stack the chair marks it out as a good option for permanent rather than temporary cafe areas.
