Description

FLUX is a modern interpretation of the multi-functional shell chair. FLUX offers a simple design formed with clean lines and subtle curves to form an ergonomic seat shape, providing flexibility of movement and comfort in a variety of different sitting positions - from upright to side on to kicking back. Ideal for higher education, co-working and office environments. FLUX is available with a variety of base styles, with and without arms. The sled base version is a modern twist on the original classic, and offers stacking up to 8 high. FLUX is available with an optional padded seat, or fully padded in a range of fabric or vinyl coverings. Please contact the office for further details.
