From: £

Quantity	Price
1 - 4	£672
5 - 9	£645
10 -	£620

Description

These UK-made chairs are designed and manufactured specifically for the care market. The rear leg is integral, meaning it is one piece of beech from the floor to the top of the chair for a much stronger and more durable piece of furniture. With comfort at the forefront of the market, the back cushions are supported by stretch-woven elasticated webbing, while the seats are supported by premium woven seat webbing.

Hardwood beech frames are assembled with double glued and screwed joints for the utmost in build quality, and are fully covered by the 5 year guarantee.

An inter-liner can often be added between the seat foam and the upholstery for additional protection against leaks and spills.

The chairs are finished using a specialist antibacterial high build lacquer as well as crib 5 fabrics and vinyls.

Additional fabrics to those displayed are also available on request.

Other options include (Please call the office for details):

- Contrasting seat upholstery
- Contrasting piping
- Castor legs (front only).

Upholstery Details:

AGUA Lunar is a crib 5 vinyl with choice of plain or patterned finish. It is also:

- Waterproof
- Hard wearing (>100,000 rub test)
- Anti-fungal
- Anti-bacterial
- Phthalate free
- REACH compliant

AGUA Libra is a crib 5 soft fabric and is:

- Waterproof
- Anti-microbial
- Hard wearing (>100,000 rub test)
- Stain resistant
- Phthalate free
- REACH compliant

Please note: While the AGUA Libra fabric is stain resistant, there is no such fabric that is "stain proof". Most stains can be removed using cold/warm water and a clean microfibre cloth, however poorly fixed clothing dyes may cause permanent staining. All spillages should be removed immediately with a clean absorbent cloth. Always try cleaning products on a hidden piece of fabric to test suitability.
