Adjustable Lectern (Gas Lift) in Wood Veneer

From: £1375

Quantity	Price
-	£0

Description

This **gas lift, adjustable lectern** is among our more popular **lecterns**. We have had numerous examples of very positive feedback from customers who are delighted with the quality and look once delivered. Finished in **beech** veneer, the **lectern** is hand made in England by a specialist. As they are made to order, one can specify no end of extras, modifications and changes to the standard design.

Choose from several different stains, **oak** veneer, **ash** veneer, solid **wood**, screen, audio, lighting and wiring fitment, shelves, cross or motif on the front, castors for moving and so on. In the past, customers have ordered this model wider, narrower, wider top, stained to match other stage furnishings or as part of a matching set with table and flower stand etc.

Whatever your requirements from a **lectern**, one of our **acrylic**, **wooden** or hybrid lecterns has every chance of providing the practical but stylish centre piece that you are looking for. Samples are not usually available, but library photos and wood stain samples can always be sent if required. It is just a matter of contacting the office with your requirements, and we can send a quotation for a **bespoke** lectern of the highest quality. Lead-time is dependent upon demand at any time.

Width: 630mm x Depth: 425mm x Height: 950-1200mm

Column width: 250mm x 250mm For a wider column (440mm x 250mm) with larger desktop (750mm x 425mm) please contact the office for details.
