### Description

UK Made Vinyl Upholstery Options Available - please enquire. This chair represents one of our very best lightweight all-rounders. It combines comfort with stackability, durability, style and a multitude of options. The waterfall front and deep, generous, high back make it a hit with various shapes and sizes of user. It is entirely UK made, comes with our 6 year guarantee, and features several clever touches and hammer painted frame as standard. Options include long or medium arms, wider frame, handhold or not, book storage, stain protection and linking. Many frame colours are available, as are various fabrics and colours. Stacking buffers on the frame help protect against scratching. The standard handhold makes it an easy one arm lift without bending ones back. A steel version is also available for those whom price comes before weight. Few chairs offer such a combination of value, quality, options, comfort and versatility. Armchairs also stack, as long as they are the top chair in a stack. Our universal chair removal trolley will quickly help move a stack of up to 8 chairs for fast, efficient stowage. The trolley can then be slipped into a cupboard. These chairs come with our 6 year guarantee, and stack vertically, 8 high. Lead time is 5 weeks from the date of your order. Please note the minimum online order quantity for this chair is 10. For smaller quantities, please call the office to discuss delivery costs.
